Draft Wastewater Allocation Policy
Public and Stakeholder Meeting

Water, Wastewater and Stormwater infrastructure is essential for sustaining and growing the city. Brantford’s first Master Servicing Plan (MSP) for these services was developed and approved by City Council in 2014. An update to the plan is underway to address the City’s growth needs until 2041. Work on implementing and updating the MSP identified limitations in the capacity of two of the City’s nine wastewater pumping stations.

A public and stakeholder information meeting will be held on:

Wednesday, November 21, 2018
Open House from 3 pm to 7 pm
Presentation at 4 pm and 6 pm
Lions Park Arena Auditorium
20 Edge St, Brantford

The City is pleased to provide a draft version of the Policy for public review and input available at brantford.ca/WastewaterPolicy. Please provide your written feedback by November 30, 2018, to allocationpolicy@brantford.ca.

We look forward to your input that will be reflected in a final version of the Policy that will be presented to City Council for final approval in January 2019.

2018-2019 Windrow Snow Removal Registration

The City of Brantford is now accepting applications for the 2018-2019 Windrow Snow Removal Program. Residents 65 years of age or older, and persons with disabilities or medical conditions can apply for the City’s assistance with snow windrows. Snow windrows are the portion of snow at the end of the driveway created after the road is plowed.

You are eligible for the program if you:

• are a resident 65 years of age or older and/or a person with a disability or medical condition
• are a resident of the City of Brantford and owner of the property
• have no person under the age of 65 who is capable of removing snow living at your residence

All applications are to be completed at the Public Works Counter at City Hall, located at 100 Wellington Square by December 1, 2018. Please be sure to bring documentation that can confirm your address and age, as well as a doctor’s note (if required) for acceptance into the program.

All previously registered residents received a letter in the mail confirming their enrolment in the 2018-2019 Windrow Snow Removal Program, if you did not receive the letter or are unsure of your status in the program please call Public Works at 519-759-4150.
